## **DoDEA Accreditation**

Accreditation is the act of granting credit or recognition (especially with respect to an educational institution that maintains suitable standards). Educational accreditation is a type of quality assurance process under which services and operations of educational institutions or programs are evaluated by an external agency to determine if applicable standards are met. If standards are met, accredited status is granted by the agency.

Cognia is the accreditation agency for all DoDEA schools and the world's largest education community. As the global leader in advancing education excellence through accreditation and school improvement, Cognia brings together more than 100 years of experience and the expertise of three United States-based accreditation agencies - the North Central Association Commission on Accreditation and School Improvement (NCA/CASI),

Northwest Accreditation Commission (NWAC), and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS/CASI). Accreditation is pivotal to leveraging education quality and continuous improvement.

Detailed accreditation information is provided on the [DoDEA Accreditation](#) page.

## Comprehensive Assessment System

In conjunction with the implementation of the College and Career Ready Standards (CCRS), DoDEA is implementing the [Comprehensive Assessment System \(CAS\)](#) that includes all of the assessments that are administered system-wide within DoDEA. These include the PSAT, Advanced Placement, NAEP, and College and Career Ready Standards (CCRS) assessments. All [assessments](#) included in the DoDEA Comprehensive Assessment System support student learning, provide information for decision makers concerning instructional programs and services, and [inform parents](#). DoDEA is committed to student achievement and assessments that raise the bar for the students to ensure they are on the path to success.
